

Chatham Building Committee Meeting Notes
Dec 8, 2014 at 7 pm

Members Present: Ron Briggs, Bill Perry, Susan Logan, Barbara Eastman, Maryann Eastman, Lisa Lewis

Guests: Ellie Eastman, Mr. Lunn

We have final approval for septic system from NH DES. Approved for minimum sized commercial system (50 people, 8 employees) on voting day or on a daily basis. Events at Town house, can easily handle 25 people or more. There is an existing well on the parsonage lot. The Town hall lot does not meet standards for drilling a well (ledge).

Ron Briggs will check with the Secretary of State to see how the vote on the warrant article needs to be handled, ie: ballot vote and 2/3 or majority? Also, how to word the warrant article properly.

Bill Perry will speak with the Portland Safe Company to find out about records storage options.

The Town has an estimated 10K in the Equipment Fund, and 50K in the building Fund...some of these monies may be used (not all) to defray the costs of repairing the Town Hall.

Many more questions were answered, that have been mostly answered before. Much discussion.

Next meeting is Dec 29 at Library at 7 pm.

If there are any errors or omissions, please let me know.

Respectfully submitted by
Maryann Eastman, Scribe.
