

Town of Chatham

November 4, 2014

Attendance: Wayne McAllister, Bill Perry, Wayne Infinger Tricia Pitman

The Board approved using the 2015 assessing contract sent to them by Rod Wood. It now needs to be sent to the DRA for their recommendations.

The Board decided to deny a request for an abatement for dooimage taxed on the timber cut by KT1 based on recommendation of the DRA.

The Board decided to table discussion about the conservation committee.

The Board approved a \$300.00 voucher for a septic design.

The Board will contact John Hennessey to see if he is willing to replace the broken window at the town house.

There is a large pine tree that is dead near the town house. There is a question as to whether or not the state might be responsible for removing it. This will be tabled until next meeting.

Province Brook Road is missing the road sign. Bill Briggs has been notified.

Mr. Dietz asked Bill Perry about having the speed limit lowered to 35 miles per hour. Bill suggested that he contact the State.

Meeting Adjourned.

Respectfully Submitted,

Patricia Pitman
