

Town of Chatham

August 3, 2017

Attendance: Jason Eastman, Micah Voter, Patricia Pitman, Bill Briggs, Doug MacPherson, Kim Callen

Meeting called to order.

Minutes for July were accepted as written. A member of the Board will send the accepted minutes to Dan Bacon so that the minutes can be put on the website.

Oath of office was signed by Board for Patricia Pitman. It is to be sent to the Secretary of State's office.

Apline Web would like the Board to update contact information. The request will be given to Dan Bacon.

The Board signed a timber warrant for the Bolles property.

Riley Pitman was appointed to be constable.

The Board was notified that the Drew Cooperation had not paid the timber tax that is owed.

Jason Eastman explained that Wayne Infinger had been in contact with the State and Peter Malia concerning the number of restrooms that the town will need to have at the town house. The State official will put in writing that the town will only need one restroom.

The Citizens Advisory meeting will be held on the 21st of August.

The Board was informed that the Portland Press Harold and the Conway Daily Sun had articles in them stating that Lower Kimball has a

public access. Bill Briggs felt that the Board might possibly want to write a letter to the editor correcting this information.

Bill Briggs explained that the fire lane sign near the dam is too low and should be moved so that it would be more visible. He will move the sign.

Mel Cherry had contacted Wayne Infinger about a concern that he had about two trees behind the town house. No other information was available.

The company that will be moving the safes into the town house will need to be paid \$1,400.00. The Board approved making the payment.

Jason Eastman updated the Board on the removal of the dead pine tree across the street from the town house. He contacted PSNH. They put in a new order for it to be removed.

Other Business:

The company that was recommended to remove the remaining books in the library are not interested in the books that are left.

Doug MacPherson had four questions for the Board.

1. Could the Historical Society begin using the school house or the town house for meetings? The Board responded that the buildings could not be used at this time for that purpose.
2. Did the Board approve trimming the trees on the parsonage lot? Wayne Infinger was supposed to check on this.
3. Could the Historical Society borrow some benches for an event to be held at Deer Hill Farm? The Board approved.
4. Could he borrow the list of Veterans on the wall at the town house to get information from it? The Board approved.

A motion to adjourn was made and seconded.

Meeting Adjourned.
Respectfully Submitted,
Patricia Pitman
