

Town of Chatham

Minutes to Selectmen's Meeting June 5, 2018

Present: Micah Voter, Jason Eastman, Tricia Pitman, Jeanne Eastman, Sue Crowley, Doug MacPherson, Alan Eastman, and Bill Briggs

Mail:

Municipal agent paperwork will be reviewed at the next meeting.

Notice to Excavate for Crouse was approved and signed.

Intent to cut for Burnell and Calomb were approved and signed.

Report of Wood reports for Pevear, Calomb and Beaton were reviewed, approved and timber warrants were signed.

There will be 6 keys made for the town office.

The Board will set a date to drive around the town to check properties that inventories were not returned for.

The DES sent a letter to inform the Board that an application for the Messing property was invalid.

The stickers for parking passes have arrived and can be distributed.

Well update:

Dale McClure cleaned up the pine tree and the site has been cleared. The well company will begin work shortly.

Master Plan:

The Board need to read over the plan and give feedback to the Planning Board.

Road Agent:

Road signs have been ordered. More will need to be ordered at a later date. The roads have been graded. Gravel was added to Little Chatham Road.

Historical Society:

Updated the Board on progress being made.

The basement has been cleared so work to sure up the foundation can begin.

They received a \$ 2,000 grant.

They are planning a reunion for people that were students of the school house and their families.

They are getting estimates for painting the building and fixing the chimney.

They are looking into different ways to obtain water for the building.

They are wondering about hooking into the well that will supply the town house, the Parsonage Lot well or the Church well.

Meeting Adjourned.
