Wayne Infinger was fairly certain that there would not have to be but he was going to check with Peter Malia one more time just to be sure.

Tax abatement was received from Tom Henriksen. It will be given to Rod Wood.

The Selectmen received paperwork to check road changes/changes to officials of the town. This will be filled out after the town elections and returned.

DRA sent paperwork stating the town's median ratio and equalization numbers. The town has an 88.1 median ratio and 89 equalization. This will be shared with Rod Wood.

A letter will be sent to Mr. Derby explaining why his property is show to have only road frontage on the main roadway and not Robbins Hill Road.

Jen from the Department of Motor Vehicles sent the Selectmen information regarding preparing for the town to go on line to complete registrations.

The Selectmen met with Debbie Abraham and discussed a payment schedule for her to follow to purchase the property taken by tax deed. Ms. Abraham's agreed to pay 700 dollars per month until the amount of taxes owed has been paid in full.
