

Town of Chatham, 2019

October 3, 2019

Attendance: Jason Eastman, Micah Voter, Riley Pitman, Tricia Pitman and John Gerrish

Meeting called to order.

Minutes for September were accepted as written.

Vouchers were signed.

The selectmen discussed postponing a letter to Josh Kiesman requesting that all personal property be removed from the property that he formally owned because most of the money owed to the town to purchase the property back has been paid. It will be determined at the next meeting whether or not the letter would need to be sent.

Back minutes need to be sent to Dan Bacon so that the web site can be updated. Micah Voter also needs to be sent Dan's new email address.

The Selectmen voted to change their meetings to be held on the first Thursdays of each month at 7PM. Signs will have to be corrected as well as the town website.

The Selectmen signed the abatement for an incorrect timber tax warrant.

The Selectmen signed an intent to cut wood for Stephen Fink.

The Selectmen signed a document for the E911 Data Operations Office to share information with The Oxford County Maine Sheriff's Department.

The Selectmen approved having Generac install the generator as long as the bid comes in under the other bid. Riley will set up meeting as soon as possible.

The Selectmen voted to have Lori Bacon become a full time member of the planning board.

A motion to adjourn was made and seconded.

Meeting Adjourned.
Respectfully Submitted,
Patricia Pitman
