

Town of Chatham

March 3, 2022

Attendance: Tricia Pitman, William Briggs, Riley Pitman, Jason Eastman, Alan Eastman, Bert Weiss

Minutes to February, 2022 meeting approved as written.

Signed vouchers.

Burt Weiss updated the Board of Selectmen as to how things are going with the two committees that he attends. He said that ESRBC would still like a commitment from the Board of Selectmen. He said that the Carroll County Committee seems to be leaning toward using Consolidated to install the new broadband. There will be a meeting held on March 24th at 7pm at the town hall to discuss how the money from the federal government should be spent. This meeting will be announced at the town meeting and then an ad will be placed in the Daily Sun.

2 timber warrants were signed. One for Robert Smith, one for Malcolm Bacon.

The Town received an audit report from the municipal registration agent, Lisa Lienhart. It indicated that the motor vehicle supplies are being kept securely and that the office is being well run.

David and Melody Horne applied for an Elderly Exemption. They were missing some information so a decision will be made after the information has been sent in.

Northway Bank send a loan modification agreement that the Selectmen signed.

Rod Wood sent a certificate of insurance.

The Selectmen briefly discussed expending the funds that were received.

Kimball Lake Shores: There were several complaints made by the residents of Kimball Lake Shores. The health officer, Riley Pitman, looked into the complaint. He confirmed that there had been garbage left in the driveway of Debbie Johnson. Ms. Johnson was given 10 days

to remove the garbage. The property was checked after a few days. It appeared as though the trash was removed but the property will be checked again after the snow disappears.

Jason will contact the Carroll County Sheriff's office to confirm that a deputy will be on hand for town meeting.

A motion to adjourn was made and seconded.

Meeting Adjourned.

Respectfully Submitted,

Patricia Pitman
